What About My Kids?

We care deeply that your family is able to worship Jesus together in a meaningful way. *C3Kids is currently open for Toddlers, Pre-K, & Elementary.* All children are welcome to attend our main service. Please follow these guidelines to help us worship as a body.

Worship Together as a Family

Worshipping as a family, although it requires more effort, can have great benefits. **Even from an early age, your children will learn to recognize the grace of God as the corporate body worships together.** Your children are shaped when you model praying, singing, listening, reading, and more while worshipping together.

We are OK with Extra Noise

Children are a blessing, not a burden. We know babies make lots of noise, and kids can have trouble sitting still. **God may be using this time to help us learn to love the blessing of our children as a means of worshiping Him, not a distraction.** So don't feel bad if your kiddos aren't perfectly quiet. Ask an usher for some resources like kids notes that may help older children stay engaged.

If Things Get Too Unruly...

Try as we may, **meltdowns do happen. We get it, don't feel bad!** If you need a place to get away with your child or children at any point during the service, simply get up and ask an usher to direct you to one of our **Private Rooms**. These are private areas where your children can color & play and you can live-stream the service. If you need to get up just for a second to calm your child, but would like to stay in the sanctuary, there is space in the back where you can stand and still participate in the service.
